PRINCE RUPERT INVITATIONAL

Eleven BVOSC athletes took to the pool to compete in the The BC Maritime Employers Association Invitational Swim Meet in Prince Rupert from October 25-27th. Smithers athletes had fun and performed well with an 87% PB ratio, the club placing 4th in the meet, and some Divisional Qualification times were made. Congratulations to all Smithers athletes who competed in this meet!

Thank you to Lee, Amanda and Breyer for coaching the athletes at this event!

THANK YOU!

We'd like to give a BIG THANK YOU to our sponsors:

We are waiting for the arrival of our new timing system. This would not have been possible without the generous donations of \$7387 from the **Wetzin'kwa Community Forest Corporation** and \$2109 from the **Regional District of Bulkley Nechako**. We are looking forward to using the new system at our mini meet in December!

Smokescreen Graphics has also generously donated t-shirts to our coaches.

PLEASE NOTE

- There are still some delays with the Swim Canada system, so not to worry. We will contact you if there is anything more we need from you for registration completion.
- Parent Ambassador Volunteer Spots are full. Thank you to those who have signed up. Those still requiring some volunteer hours will have an opportunity to volunteer at the upcoming mini meet in December.
