

2018-2019 SCHOOL SWIM & RACE PROGRAM

Coaching and Competitions for Elementary and Middle School Swim Clubs

Hosted by: Island Swimming Club "Keeping Victoria Swimming for over 100 Years"

2018-2019 SWIM AND RACE PROGRAM PACKAGE

To: All School Swim Team Representatives

Thank you for choosing Island Swimming Club to coach your School Swim Club. We appreciate your continued support.

The 2018-2019 Elementary and Middle School swim season is approaching and we are ready to allocate pool time for all our school programs.

Island Swimming Club is proud to continue our tradition of bringing competitive school swimming to the Victoria area. The Elementary and Middle School Swim Meets in February will be the 92nd annual event for the city.

Island Swimming's School Swim Program is intended to provide swim coaching and preparation for participation in the 92nd Annual Victoria Elementary and Middle School Swim Meet. Children are coached in all strokes, proper start and turn technique, and racing rehearsal.

To help keep administration simple, we will again charge a flat-rate fee per child for the number of sessions your school books. Fees for *Stand Up and Race* meet, and the Elementary and Middle School Swim Meets will be charged separately.

This package includes costs, billing information, and a registration form for both the school and individual swimmers.

If you have any comments or questions about the program, or information contained in this package please contact:

Tannaz Hosseini

tannaz@islandswimming.com

Tannaz will be responsible for the scheduling of all the coaches and she will be your on-deck contact throughout the swim season.

Your contact for all billing will be <u>accounts@islandswimming.com</u>. We look forward to getting the 2018–2019 season underway as well as seeing you and your swim team at the pool!

Pool Bookings:

Pool schedules will be confirmed with your schools prior to the start date of each program. Please advise Tannaz of any requests or changes from last year. Once your registration forms have been received, we will then book your pool time and coaches. Schools wishing to book their pool time from previous swim seasons will have first priority on their pool time for the 2018-2019 swim season.

Program Costs:

A flat rate of \$4.50 per swimmer per 45 minute session will be charged to your school. There will not be any refunds or discounts for students that miss individual sessions. In the event of a cancelation your school may be permitted to book an additional session.

To assist with your school bookkeeping, please confirm **by email**, to <u>accounts@islandswimming.com</u>, your final registered numbers, including the names of each swimmer, by the <u>end of your third swim</u> <u>practice</u>. You will receive an invoice at the end of the season.

In this special year we will again be offering our signature **Stand Up and Race** meet at a charge of \$8.00 per swimmer. This meet is optional however it offers an excellent racing experience for the swimmers, a valuable complement to their training, and a rehearsal before the Prelim and Championship meets. This meet is scheduled for <u>Sunday January 20th</u>, 2019 from 11:00am-1:30pm.

Entry fees for the Elementary and Middle School Swim Meets will be charged separately. Details will be included in the meet package available prior to the meet.

School Responsibilities:

- 1. One or more teacher sponsors must be in attendance at all practices after school. Teacher sponsors will also need to be available at the Stand Up and Race and Elementary and Middle School Swim Meets.
- 2. Volunteer parents to act as on-deck helpers during practices.
- 3. Teachers and parents are welcome to help as much as they like during the practice sessions.
- 4. Provide estimated registration numbers prior to the start and finalized registration numbers after the third swim practice.
- Provide an attendance roster (list of swimmers names) at the first practice <u>and</u> by email to <u>accounts@islandswimming.com</u>. A finalized list is required by the third week; the list must be emailed to the office.
- 6. Ensure swimmers have bathing suits, towels and goggles.
- 7. Provide a reliable contact person with email and phone.
- 8. Provide submission of meet entries for the Stand Up and Race and Elementary and Middle School Swim Meets.

Island Swimming Responsibilities:

- 1. Provide excellent coaching staff for your team from within our own professional staff.
- 2. Develop positive programs for your group to allow individual improvement in a team environment.
- 3. Provide an affordable, fun, quality after school program for your students.
- 4. Provide competitive development opportunities including Stand Up and Race and Elementary and Middle School Swim Meets.

Program Goals:

- 1. Provide quality coaching that helps swimmers improve their swimming skills while providing a challenging and fun atmosphere.
- 2. Assist local schools in offering a school program that is beneficial to both the students and staff members.
- 3. To prepare students for the Annual Elementary and Middle School Swim Meet and to introduce them to the exciting world of competitive swimming.
- 4. To inform students and parents of Island Swimming programs and to identify students who may be interested in continuing with competitive swimming.

Proven Success:

The Island Swimming Programs have a rich history of success, and we are proud to be the home club of Canada's 2012 Olympic Silver Medalist and 2008 Olympic Bronze Medalist, Ryan Cochrane. Ryan (who along with ISC team mates Hilary Caldwell (2016 Rio Bronze Medalist) and Sydney Pickrem, recently competed at his third Olympics in Rio de Janeiro) began swimming with the school programs and continues to be a proud member of Island Swimming.
