

2025 Canada Summer Games Swimming Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist the Host Society by detailing competition formats and scoring procedures, assist Provincial/Territorial (P/T) Chefs de Mission in verifying eligibility, help with budgeting by describing the number of participants permitted, advance coach certification by stating minimum requirements, and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "Train to Compete" phase of its Long Term Development (LTD) model, or other suitable phase of LTD as justified by the NSO.

Technical Packages are developed 36 to 24 months prior to the Canada Games primarily by NSOs, following the Canada Games Council's (CGC) [Principles that Govern Technical Packages](#). As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO.

Relevant Games stakeholders, specifically Provincial/Territorial Sport Organizations (P/TSOs) and P/T team staff, are encouraged to review the Technical Package in detail to ensure a thorough understanding. If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will submit the requested change or clarification to the CGC for consideration. Timelines for requesting changes to major elements of the Technical Package (i.e. team sizes, age categories, eligibility restrictions, events, competition formats) are outlined in the Principles that Govern Technical Packages. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games stakeholders early.

5. COMPETITION

5.1. Safe Sport

Swimming Canada believes that athletes, coaches, officials, support staff and volunteers have the right to participate in a safe and inclusive sport environment that is free of abuse, harassment and discrimination.

Swimming Canada is dedicated to providing a safe and inclusive environment, which involves promoting Open and Observable Environments. This means making meaningful and concerted efforts to avoid situations where a coach/official/staff member, etc. might be alone with an athlete. All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both ‘open’ and ‘observable’ to others.

All participants in this event are reminded that they are subject to the abuse-free sport policies and procedures of their Provincial/Territorial Team.

5.2. Venue

- The Aquarena - Memorial University - St. John's, NL

- Relay times not displayed or proven on the online entry system must be proven as per Swimming Canada rules.
- Unproven individual event times will not be accepted for entry.

8. SPORT SCORING POINTS

Sport scoring points are a tool used to determine the performance of a P/T Team across all events within a sport. At the conclusion of an event, sport scoring points will be awarded using the following criteria:

8.1. Individual Events

- Athletes who advance to finals shall be ranked from 1st to 16th place;
- Athletes who do not advance from the preliminary round will be shown on the results with their preliminary rank for the purpose of awarding points;
- If an athlete does not finish or is disqualified, the athlete will not receive sport scoring points;
- Only the top two (2) swimmers per Province/Territory per event will be awarded sport scoring points;
- The third (3rd) and fourth (4th) fastest swimmers from the same Province/Territory participating in the B final shall forfeit their sport scoring points, as only the top two (2) per P/T can score;

- If there is a tie, points will be shared equally between athletes (i.e. If two swimmers are tied for first then each would receive 85.5 points $[(100+71)/2]$ and 3rd place points would be awarded to the next finisher)
- The ranking of PS swimmers within each event shall be based on scores from the Canadian Paralympic Points chart. Once “order of finish” is determined by ranking Para-swimming points, swimmers will then score according to the chart below. See Appendix 4 for Para swimming protocols.
- Sport scoring points will be awarded based on the chart below

Finals (only top 2 per event per P/T score)			
Rank	Points	Rank	Points
1st	100	9th	36
2nd	71	10th	34
3rd	57	11th	32
4th	50	12th	30
5th	48	13th	28
6th	46	14th	26
7th	44	15th	24
8th	42	16th	22
Preliminaries (only top 2 per event per P/T score)			
Rank	Points	Rank	Points
Highest rank	12	7th highest rank	6
2nd highest rank	11	8th highest rank	5
3rd highest rank	10	9th highest rank	4
4th highest rank	9	10th highest rank	3
5th highest rank	8	11th highest rank	2
6th highest rank	7	12th highest rank	1

Example. If athletes from Team A finish ranked 2nd, 10th, and 15th, Team A will receive 105 (71+34) points (the 3rd finisher from the P/T will not receive sport scoring points). Therefore the points from rank 15th will not be awarded. If athletes from Team B finish ranked 16th, and the 2nd highest rank in preliminaries, Team B will receive 33 (22+11) points.

8.2. Team Events

- Teams will be ranked from first through last place
- If a team does not finish or is disqualified, the team will not receive sport scoring points
- Teams that scratch from finals will not score
- If there is a tie, points will be shared equally between teams (i.e. If two teams are tied for first then each team would receive 85.5 points $[(100+71)/2]$ and 3rd place points would be awarded to the next finisher)
- Each event will be scored separately
- Sport scoring points will be awarded based on the chart below

Placing	Points	Placing	Points	Placing	Points
1st	100	6th	46	11th	32
2nd	71	7th	44	12th	30
3rd	57	8th	42	13th	28
4th	50	9th	36		
5th	48	10th	34		

9. FLAG POINTS

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.

In Swimming, Flag Points will be awarded separately for women's and men's events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in Section 10 (Tie Breaking Rules - Flag Points), Flag Points will be awarded as follows:

Placing	Points	Placing	Points	Placing	Points
1st	10	6th	5	11th	1.5

2nd	9	7th	4	12th	1
3rd	8	8th	3	13th	0.5
4th	7	9th	2.5		
5th	6	10th	2		

10. TIE BREAKING RULES - FLAG POINTS

In the event of a tie between two or more Provinces/Territories, the team winning the most gold medals will be awarded an extra swimming point. If there is still a tie, the team winning the most silver medals will be awarded the extra swimming point, if still tied, the team with the most bronze medals, etc.

11. MEDALS

11.1. The Canada Games will award medals to athletes only. Gold, silver and bronze medals will be presented for each event.

11.2. For PS events determination of medals will be based on the Canadian Paralympic Points chart and will be awarded using the combination of same stroke events and ranked. The following are the combination of PS event and sport classes for medals:

- 50 Free

- 200 and 400 Free
- 50 Back and 100 Back
- 50 Breast and 100 Breast

Council. In the event of a conflict between the two the clothing specifications set by the Canada Games Council shall prevail.

Provincial/Territorial Team clothing must be worn for the opening, closing, and medal ceremonies as well as on pool deck prior to and post competition. Additional information on each Provincial/Territorial team's colours can be found in Appendix C of the CGC's [P/T Team Uniform and Sponsorship Policy](#).

13. EQUIPMENT

15. ANTI-DOPING

The CGC adopts the Canadian Anti-Doping Program (CADP) Covenant as a fundamental commitment to engage in a cooperative and collaborative effort to eliminate doping in sport and to support harmonized, coordinated and effective anti-doping measures in Canada. Any Canada Games participant (athlete, coach, manager, technical support, or other person) found to have committed an anti-doping rule violation at the Canada Games (as determined pursuant to the CADP) will be subject to all of the penalties and consequences, as outlined in the [Canadian Anti-Doping Program](#).

16. APPENDICES

Please review the attached appendices as they form an integral part of this technical package.

- APPENDIX 1 - Coach Certification Requirements
- APPENDIX 2 - Performance Guidelines
- APPENDIX 3 - Age Dispensation
- APPENDIX 4 - Swimming Canada Para Swimming Protocols
- APPENDIX 5 - Para & Special Olympics Athlete Reallocation

APPENDIX 1 - COACH CERTIFICATION REQUIREMENTS

Coaches are directed to the Coach Development Pathway for comprehensive information coaching certification and the certification pathway found [HERE](#).

APPENDIX 2 - PERFORMANCE GUIDELINES

The following Performance Guidelines have been established by the respective NSO, at the request of the CGC and the Federal-Provincial/Territorial Sport Committee (FPTSC) to reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of Long Term Development (LTD). These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams. These Guidelines are not required selection criteria.

Swimming Canada encourages Provincial/Territorial organizations to consider baseline minimum standards when selecting their respective Canada Games Teams. At all steps of athlete identification and selection, P/Ts are asked to ensure athletes are prepared for the competitive environment of Canada Games. When in doubt Swimming Canada recommends utilization of Canadian Junior Championship Time Standards as a benchmark for minimum performance levels of all athletes. These standards may be reviewed at <https://www.swimming.ca/en/standards-and-preliminary-competition-information/>.

APPENDIX 3 - AGE DISPENSATION

Swimming Canada Age Exemption Procedure 2025 Canada Games

All underage Paralympic and Special Olympics athletes (2013 or younger) must be approved by Swimming Canada (SC) prior to their acceptance for participation in the 2025 Canada Games (CG).

Swimming Canada sets a minimum age for participation in CG to ensure the participation of all involved is of an equal, safe and supportive environment. As CG will host Paralympic Program and Special Olympics Program events in 2025, Swimming Canada must be confident that all attendees have had the appropriate training and race experience to participate in the events which are scheduled.

Swimming Canada recognizes that the safety of all individuals within the field of play is of the utmost importance and identifies that younger athletes may not have the experience needed to participate at this level of competition. Younger athletes should be continuing to train and gain experience through racing in more age and skill level appropriate environments.

Therefore, in order to receive approval from Swimming Canada to participate as an underage athlete, the athlete's province/territory must present evidence that the nominated athlete(s) has the appropriate experience, skill (physical) and mental performance level to obtain success in a Games competition environment across all disciplines.

In order to be considered for underage exemption, the following items must be submitted along with the completed exemption form signed by all parties involved:

- Letter of recommendation for nomination by coach (with reason)
- Letter of recommendation for nomination by province/territory
- Letter of recommendation for nomination by parent
- Evidence of athlete's experience 'racing up' with Games-aged athletes including results
- Copy of athlete's results from January 2024 – April 2025

Swimming Canada reserves the right to deny any request for underage participation.

APPENDIX 4 - SWIMMING CANADA PARA SWIMMING PROTOCOLS

Preliminaries

- Swimmers will be Senior seeded (not circle seeded) by time in each of the eligible events for preliminary heats.
- Performances from preliminaries will be assigned a point score from the Canadian Paralympic Points chart; the 8 highest point scores will advance to the A final. (this means a total of 8 swimmers will swim in the combined events, not 8 in each)

Finals

- All finals will be seeded by time and there will be an A final for the sport classes in the 50 backstroke and an A final for the sport classes in the 100 backstroke, up to a maximum of 8 swimmers in the combined events. For example:
 - The performances from the 50 backstroke A final and the 100 backstroke A final will be scored using the Canadian Paralympic Points chart.
 - The scores from all swims in the two A finals will be merged and ranked from highest to lowest point scores to determine medal positions and final ranking order.
- For example

○ John Smith S7	100 back	989 pts.	Gold
○ Bill Black S5	50 back	900 pts.	Silver
○ Jeff Blue S5	50 back	895 pts.	Bronze
○ Fred Williams S14	100 back	841 pts.	4 th
○ Sal Gonzalez S10	100 back	800 pts.	5 th
○ Matt Walker S14	100 back	766 pts.	6 th
