PARTICIPATION POINTS

The participation point commitment per group is as follows:

- **Bronze Group:** 5 points
- **Silver Group:** 35 points
- **Gold Group:** 65 points
- **Jr Provincial Group:** 80 points
- **Sr Provincial Group:** 80 Points
- **Jr National Group:** 80 Points
- **Sr National Group:** 80 Points

As your child progresses, the roles you work should also increase in point value so you do not work more shifts, but you work roles worth more points. Different roles will have different time and training requirements so points vary by role. Here are some examples:

- **Timer:** 5 points
- **Security/Hospitality/Awards/Set Up:** 5 points
- **Safety Marshal/Relief Timer:** 7 points
- **Inspector of Turns/Judge of Stroke:** 7 points
- **Starter:** 10 points
- **Electronics roles:** 7-10 points
- **Chair roles:** 10 points

FURTHER TRAINING

Would you prefer to volunteer in a different role rather than officiating? The club is currently searching for trainees/shadows for Chair roles and Electronics roles. If interested in these roles, training will be provided. This training is ideal for those that would like to work the majority of their points in a shorter time frame. Reach out for more information. Now recruiting:

- Facilities (Field of Play)
- Officials
- Hospitality
- Office
- Meet Manager
- Electronics

HOW TO GET STARTED

- Returning officials will receive a link to 'Activate' their Swimming Canada/Sportlomo Officials Account for the season. Please log into your account when you receive the link and update all information.
- Newcomers or transfers from another club, please contact. Email: officials@eksc.com as soon as possible.

**Officials must be 'active' in the database before working first shift.*

JOB SIGN UP

- JOB SIGN UP is located on the EKSC website under the Event.
- JOB SIGN UP is available 2 weeks before the meet.
- Read the description of the role carefully to see if you qualify.
- Sign up the name of the official volunteering, *not* the swimmer.
- Once trained, you may be able to earn points at other meets, not hosted by Keyano. This will be communicated by the Officials Coordinator. You are responsible for checking your JOB CREDIT and making sure those shifts worked at outside meets have been logged in a timely manner.
- The majority of your points should be worked at Keyano hosted meets (aim for 75%).
- Check your balance on the EKSC website under 'My Account' - 'Job Credit'
