

Alternate Schedule - Terwillegar - City of Edmonton Maintenance Shutdown SEPTEMBER 28 - NOVEMBER 7

GROUPS AFFECTED: ALL BONNIE DOON GROUPS are relocated during the shutdown

Kin =	Kinsmen Sport Centre
PH =	Peter Hemingway Pool (at Coronation Park)

Bonnie Doon Pool is scheduled to close for a maintenance shutdown from Jan 4 through Mar 23, 2026. However, the Hardisty Pool shutdown is behind schedule. The city has a policy to avoid maintenance shutdowns for multiple pools in the same Edmonton zone, meaning Bonnie Doon should remain open until Hardisty is open. Keyano has been reaching out to figure out these timelines with the city, however, at this time we do not know for sure the shutdown dates.

We understand these training schedule are important for your family. Please know we are doing all that we can to confirm dates and training times for you. This schedule will be update with DATES as soon as we have them. In the interest of getting you somewhat prepared for January, we are providing the likely scenarios.

Hardisty Currently scheduled to reopen January 13.
Bonnie Doon Currently scheduled to close January 4; but city policy should avoid overlapping shutdowns.
Peter Hemingway A beautiful new rec centre opening late January; we have confirmation that at latest it will be open Feb 2.
(however, PH may be open earlier - water is already in the pool)
Kinsmen We will have the ability to squish some Kinsmen groups to make room for BD swimmers if PH is not open.

POSSIBLE DELAY TO SHUTDOWN: If Bonnie Doon is OPEN, we will continue with the regular Bonnie Doon training schedule.
