

Alternate Schedule - Confederation - City of Edmonton Maintenance Shutdown

MARCH 23 - MAY 22, 2026

GROUPS AFFECTED: ALL CONFEDERATION GROUPS are relocated during the shutdown
 JASPER PLACE GOLD is not affected (clarifying; JP accommodates many such shutdowns)
 SENIOR PROVINCIAL will return to Bonnie Doon Pool on Thursdays

Thank you for your patience - Keyano is still awaiting official confirmation of the pending Confed maintenance shutdown, but we are quite certain from confirmations in the community that the shutdown will begin March 23 and continue through May 22. This week the official notice was posted on the City website.

City of Edmonton rotates maintenance shutdowns in order to keep the pools safe and operational for the long term. Keyano cannot control the shutdowns, however, we are very proud to always offer a complete alternate schedule for every temporary closure. We thank you for altering your family shuttling for this temporary schedule and look forward to getting you back to your home pool as soon as it opens - we'll get there before you know it! :)

Facilities:

Conf Confed Closing March 23 through May 22.
 PH Peter Hemingway Official opening for rental groups on Feb 2. A beautiful new rec centre with later training times to allow time for a commute.
 Kin Kinsmen We will have the ability to squish some Kinsmen groups to make room for Confed swimmers for any gap that PH is not open.

This shutdown begins with 1 week left before Spring Break, March 23-27, which overlaps with the ongoing Bonnie Doon shutdown. Confed will swim on the PD Day, Fri Mar 20, at regular training times - one final workout at Confed before the shut down that makes the following week easier for everyone. As luck has it, we have some Kinsmen flexibility in this 1 week overlap with Bonnie Doon's schedule so we are flexing that space for Confed.
