

Alternate Schedules for Pool Maintenance Shutdowns

SEPTEMBER-DECEMBER 2026

Season starts: Sunday, September 27

Pool Maintenance Shutdowns are occurring in the following facilities:

Jasper Place Pool	September 2026 to December 2026
Hemingway Pool	July 2026 to December 2026
Royal Glenora	August 2026 until Thanksgiving
Meadows Pool	No shutdown, but will move Tuesday back to Meadows until Hemingway opens

Pool locations for Alternative Training Schedule:

Kin =	Kinsmen	9100 Walterdale Hill
BD =	Bonnie Doon	8648 81 St NW
MacE =	MacEwan University	10800 105 Ave NW
O'Leary =	O'Leary	8804 132 Ave NW

Affected groups return to their home training schedule as soon as pool reopens

If Hemingway opens before Jasper Place, we will move Jasper programs to Hemingway

Alternate Training Schedules have been created by moving other groups (where impacts permit) and acquiring all possible pool resources around the City of Edmonton.

Cooperation from all groups and patience from those affected directly is greatly appreciated. We do not have control over these maintenance shutdowns, however, we do everything we can to ensure your swimmers can continue in our program uninterrupted in an environment that is conducive to a successful program.
