Results and other relevant information will be posted on this page throughout the competition, including the meet package, session timeouts and psych sheets.

Remember to check this page for Finals sheets each afternoon between sessions. We will post Finals sheets so that coaches, parents & swimmers can see if they have been scratched into a final.

### COACHES' MEETING

#### Coaches' Meeting Friday at 8:15am by Admin Desk

This is just after the start of warmups. Please try to have your fees paid at or before this meeting.

### SCRATCH DEADLINES

#### Change to Finals Scratch Deadline

The Final 4 format combined with 15&Under and Para Finals means we manually seed nearly all of the finals heats. Our goal is to post Finals heat sheets on our webpage before Finals every night, and in order to do so we will be changing the scratch deadline for finals as follows:

- Scratches for Finals: Due 10 minutes after the conclusion of the 2<sup>nd</sup> last event of prelims on the same day.
  - This will be 10 minutes after the 200 Back (Friday), 50 Breast (Saturday) and 100 Back (Sunday).
  - The scratch form QR code is found here after 5pm Thursday:
  - Scratch form QR codes will be posted at the pool for easy reference.

## FACILITY PARKING & ENTRY

### Use main lot or Overflow parking on the Kinsmen park field

There is a portion of the parking lot reserved for regular patrons of the Kinsmen so please respect the facility parking guards.

### Entry through the Main Entrance

All coaches, swimmers, officials and spectators will enter through the main entrance and turn right through the old cafeteria (lounge area). Follow the north (closest) hallway through the spectators' area to the Kinette Room (officials report in here) and to access the deck (no passes needed).

## WARM UPS & COOL DOWNS

### Dive and Pace Lanes

Dive lanes will be announced 30min before the end of warm-ups in lanes 1 & 10.

Backstroke-only Dive lane will be announced 30min before the end of warm-ups in lane 2.

Pace lane will be announced 30min before the end of warm-ups in lane 9.

There are no lane assignments; please be courteous and share the pool as always.

### Clear the pool

We will begin clearing the pool 15min before the start of the session. Please clear the pool completely by 10 minutes before the start of the meet so we can start racing promptly on time.

### Cool down pool

The training pool (3 lanes, 50m) will be available every session, including warm-ups.

## PARA FINALS

### Change to minimum number of swimmers for Para Finals

We will run Para Finals regardless of number of entries. Note that there is only one event designated as a Para event per day, so this has minimal impact on timelines while having a big positive impact on those para swimmers. The para section of Edmonton Open is designed to give our young para swimmers in the region a chance to experience heats and finals.

## HOSPITALITY

### Hospitality in the Kinette Room

Hospitality (food & beverage) can be found upstairs on the north side of the pool.

Preliminaries: We will be providing snacks, coffee and beverages and a full lunch.

Finals: We will be providing snacks, coffee and beverages and a full dinner.

## FINAL 4 & AWARDS

### Ready Room & March out

Final 4 and Top 10 Distance event finalists will be marched out from the ready room on deck. Please have Final 4 swimmers in the ready room at least 15 minutes before their race so that we do not have any unwanted delays. All other finals (A, B, C, Para) will report directly to the block.

### Final 4, Swimmer Bios

Bio forms will be available during all sessions for swimmers to provide some additional information about themselves. This information may be used by the announcer during the play-by-play of the finals.

### Spin the Wheel

The famous Edmonton Open Wheel of Fortune will be spun before each Final 4 to determine the cash prizes for that final.

### Collecting Awards

Awards will be collected at the Announcer's Table. Time permitting, we may also try to have a few interviews with top swimmers of the day.

Award spins may affect all of the finals for an event (like all finals win \$\$). In these cases, all finals including the 15&under and Para finals will be eligible for those awards.
