

## Communications Policy

FAST will provide FAST members with timely, accurate, clear, objective and complete information about its policies, programs, services and initiatives. Website information will be reviewed monthly by an administrator and monitored by the Board of Directors and Head Coach.

FAST will employ a variety of ways to communicate and provide information in multiple formats to accommodate diverse needs.

1. **Email:** As a part of the registration process FAST members must provide a valid email as group emails are the primary means of communication.
2. **Website:** The Club has a website at [swimmingfast.com](http://swimmingfast.com).
3. **Social Media:** Twitter, texting, Facebook
4. **News Releases:** Occasionally news releases will be used for club profiles.
