

FAST PRACTICE CANCELLATION POLICY

Note: FAST practice is on unless otherwise notified!

Notification to membership: In the event of a practice cancellation for any reason (inclement weather, pool closure, scheduling, etc.) the Coaches will notify members through email. If possible, notices will also be placed on both social media and around the pool building indicating the cancellation.

School Closures: When schools are closed the practice will go ahead unless the coaches cannot make it to the pool or the pool is closed. We will notify all members as soon as possible. For morning practices, the practice will go ahead unless the coach cannot make it to the pool. If the Head Coach determines on the evening before a morning practice that weather will prevent safe travel to the pool, they may notify swimmers of cancelled practice.

Rescheduling: Due to pool space and scheduling limitations, practices missed due to cancellation will not be made up unless specified by the Head Coach.
