Scratches and deck entries after the entry deadline will not influence the number of finals.

If a PARA swimmer is swimming a shorter distance than the advertised event, coaches are requested to speak to the Meet Manager and Referee prior to the competition start date. Coaches should follow the same process as when requesting an official split, which is described later in the Meet Package.

There are no PARA-specific events or entry standards other than for finals. There will be para-specific finals in the 100m Back, 100m Free, and 100m Breast events.

## 22. Scratch Rule

Scratches from preliminary heats and timed final events may be made at any time without penalty except for the loss of entry fee. There will be no re-seeding of time-final or preliminary heats; scratches simply create an open lane.

Clubs are requested to report any scratches NO LATER THAN 30 MINS prior to the start of racing for each session for all timed final and preliminary swims.

THE SCRATCH DEADLINE FOR FINALS THAT RESULT FROM A PRELIMINARY SWIM IS 30 MINUTES AFTER THE END OF THE LAST PRELIMINARY EVENT OF THAT SESSION.

Meet Management strongly encourages coaches to ensure scratches are made by the scratch deadline, so all lanes can be filled.

- Swimmers will not be penalized for late scratches or no-shows in finals. However, if the swimmer is not in position and ready to swim when the Referee blows a short series of whistles at the beginning of the heat, that swimmer shall be replaced and there will be no reseeding.
- In the case when the swimmer to be replaced is in the A Final when there is no B Final, an alternate will be moved into the A Final.
- In the case when the swimmer to be replaced is in an A Final and there is a B Final, the fastest swimmer in the B Final will be promoted. In turn, an alternate will be moved into the B Final.
- In the case where there is a C Final, and a swimmer to be replaced is in the B Final, the fastest swimmer from the C Final will be promoted. In turn, an alternate would be moved into the C Final.
