In events that offer a specific Para Final, they may only advance to the Para Final.

Para swimmers will be judged under WPS Rules and Regulations, except that Para-specific events will be run as heats and finals regardless of the number of swimmers in an event. This may mean that a swimmer swims an event alone.

Seeding:

400m IM will be senior seeded, slowest to fastest with the fastest 8 swimmers of each gender, regardless of age, swimming in finals.

800m Freestyle and 1500m Freestyle distance events will be “senior seeded”

The 800 Free will swim fastest to slowest alternating one heat of females and then one heat of males. The 1500 Free will swim slowest to fastest, alternating one heat of females and then one heat of males.

Meet Management reserves the right to adjust the seeding to stay within session timelines and/or provide the fastest eight (8) swimmers with the best competition available.

All other events (Preliminaries)

- Prelims (including Bonus swims) will be senior-seeded by time only (not by age), from slowest to fastest, by rule Swimming Rules of Swimming Canada Part II 3.1 and its sub-paragraphs.
- The last three heats in each event will be circle-seeded by time and gender, regardless of age.
- Para swimmers entered in Olympic stream events will be seeded by entry time.

Finals for Olympic stream individual events will be swum by gender and age groups.

Para-specific events will swim as a mixed classification but separate genders. Heats will be seeded via time, and then times achieved from preliminaries will be scored on the Swimming Canada Para Swimming Points calculator for seeding placement in finals. Para-specific events will be swum as heats and finals, regardless of the number of swimmers. This may mean that a swimmer swims an event alone.

Positive Check-In (400m IM, 800m Freestyle, 1500m Freestyle, Finals):

Positive check-in is mandatory for all Finals events and 800m and 1500m Freestyle events. A team coach or the swimmer must check in with the Administration Desk before the conclusion of warm-ups.
