Group Description

This group is the first step in becoming a competitive swimmer who attends competitions at the LMR and provincial level. Focus is on developing efficient athletes in and out of the pool with a love for racing! Training will continue to focus on developing all four strokes and all starts and turns, while introducing some of the training concepts that will be needed in the years to come.

Pre-requisite: Able to perform in all four strokes, legally, and progress towards a 4:00 standard for the 200 IM and 2:00 standard for the 100 Freestyle.

Selection into this group is at the discretion of the Head Coach. The coaching staff reserve the right to accept swimmers that meet some, but not all the requirements for the group

**More information on the
Titans Club Service Program can be found in
the RMSC Policy Handbook.**

For the 2025/26 season, each family will be responsible for completing an assigned number of shifts for each of the listed home meets above, based off the swimmer at the highest level within the program. If all shifts are not completed, then there will be a \$100.00 charge posted to your account for each missed shift upon reconciliation of the service hours. We are hoping that the new direction that we are taking as a club will build our community, our group of Swim BC officials, and make each hosted competition an RMSC family event.

Are you timing or officiating at other meets hosted across the province?

During the 2025/26 season we are excited to offer our RMSC families a \$20.00 credit on your family account for each volunteer shift that is completed at another teams hosted meet.
