

Hyack Assessment Camps

Hello and Welcome!

The Hyack Swim Club is excited to announce this year's Assessment Camps for the upcoming 2026-7 season. This will be a great opportunity to secure early registration (dependent on group availability) and to experience organized club swimming. The camps will be focused on fun and introducing swim training concepts while giving basic reviews of the fundamentals of swimming. You have to register at the camp and the coaches will tell you which group they recommend.

There will be 2 camps this summer:

Dates:

July 27-30

August 3-7

Please note that you can only sign up for one camp.

Each camp will hold 3 sessions which will cater to different ability levels.

Please note that a basic swimming ability is required, and lessons should have been taken before signing up for an assessment camp.

The camp will be conducted in deep water, so each athlete needs to have a basic affinity to swim unassisted.

Coaches will be in the water with swimmers but only for the purpose of demoing activities and providing more in depth feedback.

All equipment needed for the camp will be provided to the campers.

July 27-30:

Session 1 - @ 4:00 - 4:50 pm (8 years old and under)

Requirements: Minimum of level 6/7 swimming - passed Swimmer 6.
