Measurement Tips

A - Height: To determine your height, stand up straight and measure the distance from the crown of your head to the sole.

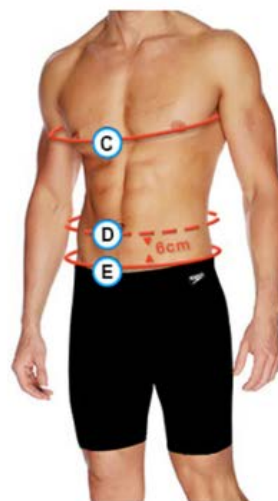

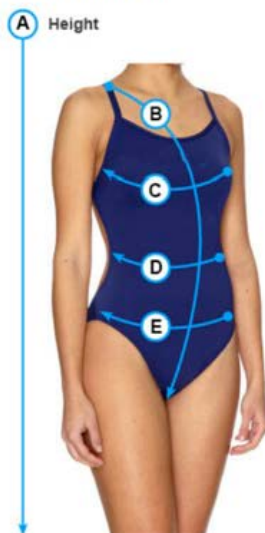

B - Torso loop: In a loop, measure from the highest part of the shoulder to between your legs and then back to the start.

C - Chest: Take the measurement over the fullest part of your bust.

D - Waist: Measure around the narrowest part of your waistline.

E - Hips: Measure around the fullest part of your hips.
