

Muskoka Aquatic Club's Inclusivity Statement

At the Muskoka Aquatic Club, we are committed to creating an inclusive and welcoming environment for all individuals, regardless of age, race, ethnicity, gender, gender identity, sexual orientation, intellectual/physical impairment, or socioeconomic status. We believe that diversity is our strength, and we celebrate the unique perspectives and experiences that each member brings to our community.

Our commitment to inclusivity extends to every aspect of our organization, from the pool deck to the community. We strive to cultivate a culture where everyone feels valued, respected, and supported in their journey with our sport.

We embrace individual differences and actively work to break down barriers that may prevent anyone from fully participating in our programs. Our coaches, staff, and volunteers are dedicated to promoting fairness, equality, and understanding, fostering an environment where everyone can thrive and reach their full potential.

As a community, we recognize that learning and growth come from diverse experiences, backgrounds, and abilities. By embracing inclusivity, we aim to create a space where all members feel empowered to contribute, learn, and succeed both in and out of the water.
