- The heat number and lane number will be blacked out on the relay card.
- Coaches will write the swimmer names on the relay card in the order the swimmers are to swim. Please write legibly.
- Coaches will also write the club's name on the card and "A" team or "B" team.
- The coaches will give the swimmers the relay card, which the swimmers will hand to their lane timer.

The accurate names of the relay swimmers will be updated and appear in the posted results.
