- Paddles should not grossly exceed hand size - for our developing athletes, this means you may need to size up paddles as you grow. Please talk to your group coach for the appropriate size.
- Additional equipment requirements may be directed from time to time for performance groups.

Suit FAQ

- Training suits can be used for competitions at all levels for in-season meets
- Swimmers at a Provincial level and below are **not** required to have a racing suit other than their training suit
