**OSC – shall mean the Olympian Swim Club

The Olympian Swim Club recognizes that team travel is an integral component of the training and technical curriculum of competitive swimming. Team travel offers swimmers supervised opportunities to learn and practice independence. Travel opportunities may include but are not limited to: international, national, out of province or in province swim meets, training camps and club sponsored recreational activities. The Olympian Swim Club has developed this policy to guide the planning and execution of team travel.

(Section 22 and 23 of the Financial Policy further explain financial obligations with respect to team travel.)

1.0 Team Transportation:

1.1 Supervision during Transportation:

- 1.1.1 On arrival at home in Edmonton whether at the bus drop off point or at the airport, the chaperone shall stay with swimmers until they are picked up by a parent, guardian, or designated adult as communicated by the parent or guardian.

1.2 Bus Travel:

- 1.2.1 All swimmers entered in out-of-town meets must travel with the team on the bus to the meet, unless the meet has been designated by the Head Coach as a meet that will not involve team travel. (*Exceptions may apply*).
- 1.2.2 All swimmers entered / participating in an out-of-town meet will share equally in the round trip cost of the bus and any other expenses incurred by the bus driver. It is expected that all swimmers will travel to the meet on the team bus. Parents who elect to drive their swimmers home at the conclusion of the meet will still pay "round trip" costs for the bus.
- 1.2.3 The OSC coaching staff and chaperones travelling on the bus shall ensure that all movies shown and music played on the main bus system are age and content appropriate. The chaperone or coaching staff may stop a movie or music on the main bus system if it is deemed inappropriate.

1.3 Ground Transportation & Rental Vehicles:

- 1.3.1 Certified, professional or designated drivers in coach type buses or rental vehicles shall be used when transporting swimmers more than 100km.
- 1.3.2 Coach type buses with professional drivers may be used to transport OSC swimmers and staff when the distance is less than 100km or when the group is large enough to make it the most reasonable option as determined by the club staff.
- 1.3.3 When deemed safe and reasonable the use of taxis, rental vehicles or public transit may be used to transport OSC swimmers and staff at club sponsored events.
- 1.3.4 Non-chaperoning parents who are attending the event shall not drive swimmers other than their own children in their personal vehicles unless consent from parent is given.

- 1.3.7 Designated OSC staff, chaperones and parent volunteers shall not transport swimmers in personal vehicles.
- 1.3.8 OSC swimmers shall not drive rental vehicles nor the personal vehicles of coaches or chaperones. Exceptions may be considered.

1.4 Air Travel:

- 1.4.1 Each swimmer entered / participating in an out-of-town meet will share proportionately in the total cost of airline tickets for the team members, coaches and chaperones. Championship meets are the exception.
- 1.4.2 Penalties and fees that result from changing or cancelling travel arrangements will be charged to the individual member's account. This includes swimmers who are pulled or scratched from a meet.
- 1.4.3 It is expected that all athletes will travel with the team under the supervision of the team chaperone on team arranged flights and ground transportation. Swimmers, who do not, will be responsible for all personal travel arrangements and supervision to join up with the team.
- 1.4.4 The Olympian Swim Club will not arrange flights for individuals using personal points, or arrange flights to co-ordinate with member family travel plans.
- 1.4.5 The Olympian Swim Club takes no responsibility for swimmers using individually arranged travel, or accommodation plans.
- 1.4.6 OSC coaches and chaperones shall travel on the same flights with the team unless prior notification has been provided .
