

**SPONSORSHIP OPPORTUNITIES
2026-2027**

This year marks 91 consecutive years that the Peterborough Swim Club has been providing competitive and recreational swimming opportunities in Peterborough and the surrounding region.

The Peterborough Swim Club prides itself on community contribution and changing lives of our swimmers.

Swim skills, increased strength, lifelong friendships and a love of the sport start in swim school, through our competitive age group, and on into our Masters program. From age 7 to 99, there is a place for everyone in our program.
