General Notes

- 1) This meet takes place entirely OUTSIDE (apart from cooldown pool which is indoors). **The current forecast unbelievably for the time of year is quite cool and rainy.** Please keep an eye on the forecast & ensure swimmers (and coaches/spectators) are prepared for the elements. This event runs rain/snow or shine but in the event of a weather delay (typically related to lightening or air quality issues), there may be a need to cancel an event(s) / or limit heats in an event to keep the meet running within the allotted time frame.
- 2) Swimmers may set up individual tents in the green space to the south and west of the pool deck. **No stakes may be used to hold the tents in place.** If the forecast is for strong winds please ensure tents have enough weight. All tents must be taken down at the end of each day. NO tents left overnight.
- 3) **NO ANIMALS** except service animals are allowed **on the pool deck or in the green space surrounding the pool.** The City of Red Deer will be strongly enforcing this policy. If you are bringing a service dog please ensure you have the appropriate paperwork for City staff. For specific rules for City of Red Deer Aquatic Facilities more information can be found at [City of Red Deer Aquatic Guidelines](#)
- 4) Tented/ covered areas for coaches will be designated on the south and south-east side of the pool. Plastic chairs will be supplied for coaches but feel free to bring a more comfortable lawn chair. No swimmers tents are permitted on the pool deck. No spectators permitted on the south side of the pool deck.
- 5) There will be minimal bleacher seating for spectators but deck space is also available for those that bring a chair to set up on deck along the north side of the pool. This area is not covered so please dress appropriately.

- 6) **Spectators are not permitted to access the indoor pool deck or change rooms/change room washrooms.** Washrooms for spectators are available in the lobby through the main building entrance. If seeking shelter please go into the main lobby. With the number of swimmers, teams and volunteers at this meet there is no capacity for spectators to be on the indoor pool deck or in the change room area
- 7) A concession stand will be available during the swim meet that will serve breakfast sandwiches, hot dogs, hamburgers and drinks and snacks with the menu available on [Red Deer Catalina](#) website. **Credit/debit machines will be available but cash is appreciated.** There is a bank machine on site but it is not always reliable.
- 8) The very popular **Chuck a Duck** will be returning once again. Ducks may be purchased from the concession stand for \$2.00. The duck draw will take place at the end of the Sunday morning session with ½ of the proceeds going to the owner of the duck that is pulled from the water.
- 9) We also will have pre-printed Hoodies with Freeze or Fry logo available for purchase in the concession area. Hoodies will retail for \$50. For those that have pre purchased hoodies can be picked up on Friday night or Saturday.

We look forward to seeing everyone on deck June 20-22, 2025.
