Subject: Corporate Sponsorship Opportunity – Support Local Youth Swimming

Dear Community Partner,

On behalf of the Spruce Grove Barracudas Summer Swim Club, we are pleased to invite your organization to partner with us as a corporate sponsor for the 2026 swim season.

The Barracudas Summer Swim Club proudly supports over 90 young athletes from Spruce Grove and the greater Parkland County area. Our program focuses on skill development, confidence building, teamwork, and fostering a lifelong love of sport. To continue providing high-quality coaching, equipment, and competitive opportunities, we rely on the generous support of local businesses and community partners.

Why Sponsor the Spruce Grove Barracudas?

### Community Impact

Your sponsorship directly supports youth sport and healthy lifestyles in our community, and your business will be recognized as a supporter of local youth development.

### Visibility & Marketing Opportunities

Sponsors receive recognition through team apparel, event signage, and acknowledgement on our website and social media platforms.

Each season, the Barracudas host one home swim meet, which brings families and athletes from multiple communities to Spruce Grove. Sponsors receive visibility at this key event and within our club communications.

A summary of sponsorship levels and recognition opportunities is attached. Custom sponsorship options are also available, and we would be happy to discuss a package that aligns with your organization's goals.

Thank you for considering this opportunity to support local youth and community sport.

Warm regards,

Spruce Grove Barracudas Summer Swim Club
