Introduction:

The 2025 Canada Summer Games (the “Games”) will be held in St. John’s Newfoundland from August 8-24, 2025. Held once every two years, alternating between winter and summer, the Canada Games represent the nation’s top multi-sport competition for up-and-coming athletes. This national sports competition has been hosted in every province at least once since its inception in Quebec City during Canada’s Centennial in 1967.

2025 Canada Summer Games Swimming New Brunswick Team Plan & Selection Criteria

Every P and T is represented at the Games. New Brunswick's contingent generally consists of approximately 20 teams each Games with 300 participants in the winter and 400 participants in the summer. The Games are spread over a 16-day period with half the teams competing in week one and the other half in week two.

Unlike regular single sport championships, athletes all contribute to a bigger team. The team is built through attendance at a team rally prior to the Games, team clothing, common team travel and accommodations.

Program Goals:

SNB views the Games as a vehicle to grow the sport both in terms of popularity and performance level. The following goals have been set:

- Score more points than the 2022 Games in Niagara, ON.
 - By scoring more points, SNB strives to place higher in the team rankings than in 2022.
- Foster an environment that promotes a positive training and racing experience for all team members.
- Develop and provide a program that will contribute to the positive long term development of all team members, with an eye toward continued involvement and performance in the sport beyond the 2025 Games.

Roles & Responsibilities:

Swimming New Brunswick

SNB has the ultimate responsibility for the Games Team Program. It will:

- Approve this team plan and any subsequent changes to it;
- Approve the selection of the Coaches and Manager;
- Approve the team budget;
- Delegate authority to the Games Committee to oversee the selection process and name the athletes to the team; and
- Adjudicate any disputes.

The CGC is the group selected by the SNB BOD to oversee the selection process and may include the SNB Technical Director if they are not playing a role on the team in another way.

The CGC will be chaired by the elected member of the group and include three other representatives appointed by the SNB BOD. The Head Coach and Team Manager, once selected, shall be ex-officio members.

The CGC shall monitor the program by making decisions on requests for exemptions, maintain records of decisions made, meeting minutes, liaise with the team staff and monitor the selection process.

2025 Canada Summer Games Swimming New Brunswick Team Plan & Selection Criteria

The members of the Appeal Committee shall be named by the SNB BOD.

Head Coach

The SNB BOD will select a Head Coach for the 2025 Canada Summer Games Team. The Head Coach shall work collaboratively with the chair of the CGC to develop the activities and implementation of the Games program. Using the commitment guidelines contained in the team plan, the Head Coach will determine the camps, individual programs, competition schedules and sport science support program that will allow the athletes to achieve the team goals. In the context of swimming in New Brunswick, the Head Coach will collaborate with the home club coaches of all selected Team NB athletes.

The SNB BOD Treasurer will be responsible to monitor and approve the budget for the CG team activities. This will be supported by the other members of the SNB BOD.

The Head Coach will be responsible, in collaboration with the selected Assistant Coaches, for conducting all athlete evaluations, providing feedback on performance, and communicating with all team members and their respective home club coaches from the date of team selection and throughout the Games.

Manager

The Manager is primarily responsible for coordinating and communicating team logistics (travel, financial information administrivia) with parents, maintaining records of attendance at camps and events, maintaining meeting notes, and supporting the coaching staff. The manager will commence their duties as soon as they are selected for the position.

Parents/Guardians

SNB values the time and commitment of parents to their child's growth and development through sport. Every parent simply wants what is best for their child and they will share the highs and the lows.

SNB encourages parents to support their child in their pursuit of success. All parents must sign and abide by the [Parental Code of Conduct](#). The Parent Code of Conduct must be submitted with the athlete's Letter of Commitment which is due April 6, 2025.

Athletes

All athletes must read and understand this document prior to participating with the Team. All athletes must sign and abide by the [Athlete Code of Conduct](#). Athletes must be prepared and to work hard to improve their performance level, take advantage of the opportunity presented to them and to enjoy this process.

Classification of Terms

Exemptions

A degree of commitment to the process is required for all participants. An athlete may request an exemption from certain activities within two weeks of being selected to the Team. Exemption requests must be filed with the Chair of the CGC and copied to the Head Coach stating the event(s) for which an exemption is requested and the reason for the exemption. Exemptions will be granted in the case of serious injury or illness. All other exemption requests (for instance, family emergencies, minor injuries, illness, educational requirements, national team duty, attendance at training camps, etc.) are discretionary in nature, and such decisions to grant or deny these discretionary exemptions shall be made by majority of the CGC.

Extraordinary Circumstances

An athlete may request a participation **exemption** due to extraordinary circumstances. Such circumstances may include, but are not limited to, serious and/or sudden injury or illness, a family emergency or other extraordinary circumstance or event that prevents an athlete from participating. It is up to the CGC to determine if a participation exemption will be granted on the basis of extraordinary circumstances. Decisions granting exemptions on this basis shall be kept confidential and maintained for the duration of the Games and may be referred to internally by the CGC to inform any subsequent decision the CGC makes should other participation exemptions claiming extraordinary circumstances be requested by an athlete.

Conflict of Interest:

SNB strives to avoid conflicts of interest in its decision-making processes by providing clear guidance to its members to recognize what a conflict of interest is, how to disclose or report conflicts of interest, and how to act accordingly. The SNB [Conflict of Interest policy](#) describes appropriate behavior expected of individuals entrusted with decision-making authority within the Association, where facts and circumstances may cause a conflict of interest situation.

All individuals who, at any given time, are granted the authority to make decisions with respect to Team NB, must complete a [Conflict of Interest Declaration Form](#).

Athlete Selection Process – Olympic Program

Twelve (12) women & twelve (12) men will be selected for the Olympic Program, in accordance with the following priorities for selection:

Priority 1

All performances that meet the SNB P1 Consideration Standard (**Appendix B**) will be named to the team, to a maximum of the top two (2) per performances per individual event within the Selection Window. In applying this process, the total team size can not exceed 24 athletes (12 women + 12 men).

If the final Team size has been exceeded through application of this priority stage, all performances meeting the SNB P1 Consideration Standards will be ranked in order of their proximity to the SNC ID3 Benchmark Standards (**Appendix C**). These performances will be ranked by percentage, and this rank order will then be used to fill the available Team positions. Athletes with a percentage/performance closest to the SNC ID3 Benchmark Standards will be named first, with this process continuing until all spaces have been filled.

Priority 2:

If the maximum team size is not met in Priority 1 then all performances that meet the SNB P2 Consideration Standards (**Appendix B**) will be named to the team, to a maximum of the top two (2) performances per individual event within the Selection Window, inclusive of those athlete performances named to the Team under Priority 1. In applying this process, the total team size can not exceed 24 athletes (12 women + 12 men).

If the final Team size has been exceeded through the application of this priority stage, all performances meeting the SNB P2 Considerations Standards (**Appendix B**) will be ranked in order of their proximity to the SNB P1 Consideration Standards (**Appendix B**). These performances will be ranked by percentage, and this rank order will then be used to fill the available Team positions. Athletes with a percentage/performance closest to the SNB P1 Consideration Standards (**Appendix B**) will be named first, with this process continuing until all spaces have been filled.

Priority 3:

2025 Canada Summer Games Swimming New Brunswick Team Plan & Selection Criteria

After naming athletes to the team through Priorities 1 & 2, any remaining team spaces will be filled by the following process:

All remaining 1st & 2nd placed performances in the Selection Window will be considered for selection to the team in rank order of their performance. Any athletes ranked 1st or 2nd in an event in the Selection Window do not need to have attained an SNB P1 or P2 Consideration Standard to be considered for selection under Priority 3 ([Appendix B](#))

All athletes who have ranked 1st or 2nd in any event, in the Selection Window, will be considered to fill the remaining team spaces. These performances will be ranked against the SNB P1 Consideration Standards ([Appendix B](#)) as a percentage. Through following a rank order of these athlete performances, athletes who are closest to the SNB P1 Consideration Standards ([Appendix B](#)) will be named first, with this process continuing until all spaces have been filled.

In the event there are not enough available Team spaces to name all 1st and/or 2nd place finishers to the Team, SNB and the CGC will rank all those 1st & 2nd place finishers, who've not met SNB P1/P2 standards, as a percentage against the SNB P1 Consideration Standards ([Appendix B](#)) Athletes will then be named to the team in said rank order of percentages until the team size has been fulfilled.

Priority 4

After review of Priorities 1-3, should additional Team positions remain open and available, SNB will fill all remaining Team positions as follows:

Athletes with a third (3rd) placed ranking performance within the Selection Window will have their performance ranked against the SNB P1 Consideration Standards. These performances will then be ranked by percentage, and this rank order will then be used to fill the available Team positions. Athletes with a percentage/performance closest to the SNB P1 Consideration Standards ([Appendix B](#)) will be named first, with this process continuing until all spaces have been filled.

Should there **still** be remaining Team positions following the review of all 3rd place ranked performances, SNB will review and rank all fourth (4th) placed performances within the Selection Window. These performances will be ranked against the SNB P1 Consideration Standards ([Appendix B](#)), and then ranked by percentage. This rank will then be used to fill the available Team positions, through following the same process noted above for the 3rd placed performances.

Paralympic Program and Special Olympics (SO) positions

Athlete Selection Process – Paralympic Program:

Up to two (2) women and up to two (2) men will be selected.

2025 Canada Summer Games Swimming New Brunswick Team Plan & Selection Criteria

Using the [SNC Para Points Calculator](#), SNB will select the two (2) highest scoring women and the two (2) highest scoring men from their respective highest scoring performance by the end of the Selection Window.

In the event of a tie, the athletes' second highest scoring performance will be calculated and ranked. The athlete with the highest scoring second best performance will be selected first.

Athlete Selection Process – Special Olympics:

Up to two (2) women and up to two (2) men will be selected.

Eligible athletes competing in sanctioned competitions from September 1, 2024, through April 27, 2025, inclusive, will be considered for selection to the team.

2025 Canada Summer Games Swimming New Brunswick Team Plan & Selection Criteria

Alternates – Athletes (Olympic Program)

See Appendix “G” for the SNB *Appeals* Policy.

Olympic & Paralympic Athletes

After selections have been announced, if an athlete believes that grounds for appeal exist and wishes to appeal the decision, the athlete or his/her coach must deliver a formal appeal in writing.

All appeals will be screened by the SNB BOD and CGC prior to being formally passed on to the Appeals Committee by majority vote.

Appeals must be received by end of day Monday immediately following the announcement of the Games Team ([See SNB’s Appeals Policy](#)). The appeal must be submitted to SNB, clearly stating the basis of the appeal (as described in the SNB appeals policy) well as providing documentation to support the appeal.

The decision of the Appeals Committee shall be rendered by two weeks after the appeal has been submitted (unless all interested parties agree to any reasonable adjournments) and shall be final.

This procedure will also be followed for appeals of selection of alternates to the Team.

The SNB Appeals Policy is outlined in Appendix G considering the time limits indicated above only.

Special Olympic Athletes

In the event of an athlete failing to honor his/her commitment or breaking team rules regarding training or conduct, Team Management, with all necessary documented records, shall have the power to discipline the athlete, including dismissing the athlete from the Team ([See SNB Discipline Policy](#) & Incident Report Form (Appendix E)).

If the athlete is asked to leave the Team, they or their parent/guardian will have the right to appeal that decision to the Appeals Committee by written notice delivered to the SNB Office to the Chair of the appeal committee within one week from the day on which the decision of Team Management is communicated to the athlete. All appeals will be screened by the SNB BOD and CGC prior to being formally passed on to the Appeals Committee by majority vote.

In that event, the Appeals Committee shall render its decision within two weeks from the day the notice is delivered to the SNB Office, and its decision shall be final.
