Welcome to a new and exciting summer activity for the North Okanagan.

We are looking forward to building great experiences and swimming excellence in our neighbourhoods. Our coaches include two former Olympians and are looking forward to teaching great swimming skills to all our members.

This is our first year of operations and we are assessing interest for the future of summer swim club activity in the future. However, we are heading full stream ahead and offering summer swimming starting this May until August.

There are several options for members so please take the time to read through our sessions and costs as it is important to get all the information to you to make this a great experience.

Pools, Schedules, Options and Costs – Oh My! We have currently 4 pools to swim in:

Lakeview -Peanut- Pool – A new, 3 lane, outdoor pool with lane lines and recreation area. We have the full pool rented from 10:00-11:00AM June 26 through to August 14th.

Armstrong Pool – a beautiful, 5 lane, outdoor pool with lane lines and backstroke flags. We have the full pool rented from 4:30-5:30PM May 23 through to August 15th.

Enderby Pool - -a brand new outdoor pool with 5 lanes. This will be a new discovery for everyone. However, we have the full pool rented from 11:30-12:30PM, June 14th through to August 16th.

Vernon Rec Centre – This is the last summer of running programs at the current 25m Vrec pool. We are looking forward to a brand new 50m ++ facility by the Kal Tire Centre, Fall of 2026. We currently have one or two lanes depending on interest so space is limited & therefore the need for a new facility. Awesome.

Options for swimming this summer. 1x per week, 2x per week, 3x per week. Pick your pools – times and start up dates vary. See below.

All members are asked to **fundraise** \$150 for the summer. We will have 3 options for raising money and go directly to reducing fees. As a new start up this will be very important to our club.
