

HOW TO:

SPORTLOMO

(REMS/SWIMMING CANADA)

COMPLETING REGISTRATION
FOR YOUR SWIMMER EDITION

Please note this is for swimmer registration - for officials registration please refer to our “How to SportLomo - Completing Registration for Officials”

When our office registered your swimmer with Swimming Canada, you would have received an email from SportLomo letting you know. It would have looked similar to the email below. Click on the link to get to the next step. **If you did not receive this email, please contact our office!

The link will take you to this page. If you have set a password before, you can use your regular log in info. If you have not logged in before, or have forgotten your password, please click on “forgot password” to either set or reset it. Once you have done this, please come back to this page to log into the website.

Now you’re in! How exciting! On this page you will see your swimmer(s). We have a lovely collection of Testers here to help walk everyone through! One at a time, please click on “complete required action” for your swimmer(s). Please note, if you only have one swimmer, you only have to do it once for them.

Chaperone - A Chaperone is responsible for overseeing the welfare and behavior of athletes when they are not at the pool. Chaperones do not require access to the Field of Play. Chaperones will not receive an accreditation card but will be offered spectator seating only, if available. **Team Manager** - The Team Manager handles the organizational and logistical details for the team. During the meet, the Team Manager may need to communicate with coaches, officials, and competition organizers in support or, in place of, a coach. **Athlete Support** - Athlete Support involves providing specialized assistance to para swimmers with Codes of Exception "A", "Y" or "T" ensuring they have the equipment, modifications, and accommodations they need to compete. This may include accessible transportation, support with mobility equipment, and helping swimmers navigate the venue. If the event doesn't have FOP officials, support moving wheelchairs, mobility devices etc. The Para Technical Advisor may assign swimmers who may request an "A" or "T" for a specific meet, if need is required. This also includes support for swimmers who are D/deaf or Hard of Hearing. **Integrated Support Team (IST)** (does not include **Physician**) - The Integrated Support Team (IST) works collaboratively to support the athletes' performance and well-being. The IST typically includes physiotherapists, massage therapists, dieticians, sport psychologists and strength and conditioning coaches. **Physician** - The team physician plays a critical role in ensuring the health and safety of athletes during a swimming

You will need to sign off on one agreement after reading through. Please note it is a “drawn” signature - not a typed one. You also do not need to consent to the emails, so please only check that if you would like to. When everything is completed, please click on “update information” to complete the registration.

When you have clicked this. You will be brought back to the “home” page and you should see that your swimmer’s status is listed as “active”. You may complete other registrations at this point and follow the same steps.

Thanks very much for completing this and as always, if you have any additional questions, please contact the office!
