

UCSC CAR AND CASH RAFFLE FUNDRAISER

UCSC provides its members with fundraising opportunities as a way to reduce swim fees.

Parents may choose either to sell the tickets for the annual Car and Cash Raffle or buy out their allotted ticket amount. Raffle ticket assignments were passed at the Foothills Swimming Association (UCSC) Spring General Meeting. Families can find their raffle ticket assignments on the website. The 2022-2023 Car and Cash Raffle will take place online.

I understand the raffle fundraiser as outlined in the Fundraising document. I agree to the UCSC raffle fundraising and policies. I understand that if I choose to partake in the Car and Cash Raffle, all tickets must be purchased online and that I will receive a confirmation email from Raffle Box with my ticket information. **I understand that if I choose to partake in the Car and Cash Raffle and miss the deadline that my account will be charged for the amount as tickets are not allowed to be sold after the deadline as per the AGLC.**
