

**UNIVERSITY OF CALGARY SWIM CLUB  
15 PASSENGER VAN POLICY**

1. Travel

Travel is an important part of Club activities. Decisions about the methods of transportation are made by the Travel Coordinator in cooperation with the Head Coach. Safety, reliability and cost effectiveness are the considerations when methods of travel are chosen.

2. Bus Travel

- a) Bus travel is preferred.
- b) When the group travelling is small, making the costs of bus transportation prohibitive, other methods of transportation may be considered.
- c) The location of an event may make it necessary to consider other methods of transportation.

3. Vans

- a) Preference is for 8 or 12 passenger vans.
- b) Coaches and/or chaperones who drive 15 passenger vans to transport swimmers must have a valid class 4 Alberta drivers' license.

4. Drivers' Abstract

Coaches and/or Chaperones may be required to submit a driver's abstract.
