# VOLUNTEER REQUIREMENTS 2025/2026

## Why?

- Our club and sport is run by volunteers and could not operate without them.
- The meets we host and meets we attend out of town could not run without volunteers.
- Volunteering is a great way to learn more about our sport.
- *Volunteering is crucial to your athlete, your club, and the sport of artistic swimming.*

## What is it?

- Each season, every athlete's family is required to volunteer to earn a minimum number of points or pay a Volunteer Fee (charged to your club account at the end of the season in June)
- families (including athletes, extended family & friends) can earn volunteer points during the season
- each point is worth \$25
- if all points are earned during the season congratulations and thank you! You will not be charged the Volunteer Fee
- If a family has fulfilled part of their points, the charge will be prorated at a rate of \$25 per volunteer point not earned or reported. (charged to your club account at the end of the season in June)
