THREE DAYS OF COMPETITION. A LIFETIME OF MEMORIES.

DEAR COMMUNITY PARTNER,

The Windsor Bluefins Swim Team is proud to celebrate an exciting milestone—our **60th Anniversary** of providing competitive swimming opportunities for youth throughout West Hants and surrounding communities.

For six decades, our club has helped young athletes develop confidence, discipline, sportsmanship, leadership, and a lifelong love of swimming. Today, we continue that tradition by offering a positive environment where swimmers of all ages can achieve their personal best both in and out of the pool.

This summer, we are honoured to host the 2026 Nova Scotia Summer Swimming Provincials at the Hants Aquatic Centre in Windsor, Nova Scotia, from **August 14–16, 2026**.

This premier championship will welcome approximately 600 swimmers, along with coaches, officials, volunteers, and hundreds of family members and spectators from across Nova Scotia. Over three exciting days, Windsor will become the centre of summer swimming, bringing significant community spirit and economic activity to our town.

We invite your business or organization to become a valued sponsor of this landmark event. Your investment will directly support the delivery of a first-class provincial championship while helping create an unforgettable experience for hundreds of young athletes.

THANK YOU FOR CONSIDERING PARTNERSHIP WITH US!

Sincerely,

Windsor Bluefins Swim Team
